

## 4 Injured In Wrecks

A Houston man is in a Cameron hospital today following a two-car collision December 24, one of two holiday accidents on County highways.

State Patrolman Jack Straley said that Jackson Roy B. Graham, 50, Houston, was off the critical list for the first time since his 1957 Mercury was in collision with a 1955 Ford driven by Airman Archie Mraz, 18, son of Mrs. Alice Evard, 703 E. 14th St.

The two-car collision sent Mraz, Graham and his wife, Mrs. Graham, 49 and daughter, Bobbie, 22, to Cameron hospitals with injuries.

In a second two-car collision 12:20 a. m. December 26, Straley said that cars driven by Fernando Garcia, 18, Rockdale, and

Albert Ray Stevens, 42, Austin, crashed just east of Milano on SH 36. Neither man was hospitalized, Straley said.

But the Graham family was rushed to Newton Memorial Hospital just after the crash 5:45 p.m. Christmas Eve Day on US 190 six and one-half miles west of Cameron. And young Mraz was taken to St. Edward's Hospital for treatment of a head injury and cuts and bruises. He was released the same day.

Hospital officials said Graham's injuries included: a broken leg, five broken ribs, damaged kidney, bruised lung and other internal injuries.

Mrs. Graham was due for release this week following treatment for cuts and bruises, while the Grahams' daughter was released earlier after treatment of similar injuries.

Straley said both vehicles were total losses. Mraz was driving east on US 190 while Graham was driving west.

In the Milano accident, Straley said Garcia was ticketed in Rockdale Justice Court for driving on the wrong side of the road and failure to stop and render aid. Straley said the collisions marred an otherwise safe Christmas holiday. In 1958, no accidents occurred over the Christmas holiday in Milam County.

**OL' 100**

Friday is another New Year's day.

It brings to mind all the resolutions, future and past, that have been and are to be broken.

That is only as it should be. It is great tradition to pledge ourselves to restrain over-indulgence, then gleefully admit that resolutions are for the breaking anyhow.

Perhaps the happiest people are those folks who don't bother with the resolutions, year in and year out. They go their way, unencumbered by any resolutions to keep. And it reminds us of the adage once used for our benefit. It went something like this:

"If ignorance is bliss, F.M.L., you're the happiest man in the world."

100 - 100 - 100

You are invited to keep those anecdotes and interesting Milam County incidents coming OL' 100's way. We hope to retell as many interesting stories about Cameron and Milam County as there are available.

We hope to continue improving the Herald's format and coverage. And with your kind interest in things that happen to you and your family, we can relay news about you and your friends and relatives to the whole of Milam County.

100 - 100 - 100

That sounds like a resolution, doesn't it? I guess we're caught up in the general practice of making them. What worries us is keeping them. Already, we're worried.

In looking back over the year's events in Cameron and Milam County, we found a number of formidable news events.

A great number of countians kept their resolves to help make Cameron and Milam County a better place to live and work.

And we hope that The Herald can continue to come to your home each Thursday with a review of Milam County news and views.

And with that, we wish you a Happy New Year!

## Court Seeks Bids For Sandblasting

The Milam County Commissioners' Court has called for bids for sandblasting and steam cleaning the entire exterior of the Milam County Courthouse.

Bids are to be opened 10 a. m. February 8, 1960, at a commissioners meeting, according to County Judge Don G. Humble.

Judge Humble told The Herald that estimated cost of the project would be about \$4,000.

He noted that it would be the first treatment and reworking of the exterior of the county court house since a major reconstruction project and outside sandblasting were completed by workers of the federal Public Works Administration in 1939.

The courthouse was erected in 1891 by Lee and Plummer, contractors, with a clock tower and imposing architecture that was removed by PWA work in 1939.

Judge Humble said that work done now would save a major project later.

He said competent sanding contractors had said a year ago that part of the discoloration on the

building is a fungus that would eventually erode away mortar in the joints.

The bid calls for sandblasting and steam cleaning the entire exterior of the structure, pointing and caulking all joints within the stonework and waterproofing the outside with waterproofing solution.

The county judge also said that all exterior wooden windows and door frames would be painted under a separate contract after the sandblasting and exterior cleaning.

## Final Rites For Oscar E. Bell, 80

Oscar E. Bell, 80, died at a local hospital at 12:15 a. m. Tuesday Dec. 29 after an extended illness.

Funeral services were held at 2:30 p. m. Wednesday at the Full Gospel Tabernacle with The Rev. H. M. Bowley officiating. Burial was in Oak Hill Cemetery.

Bell was born in Dothan, Alabama November 15, 1879 but had lived in Milam County most of his life.

He is survived by his wife; two sons, J. T. Bell, Waller, Texas; O. E. Bell, Jr., Cypress, Texas; three daughters, Mrs. C. H. Sholl, Houston; Mrs. Bud Chappell, Travis, Mrs. Maxine Fricke, Cameron; one brother, J. E. Bell, Port Arthur; 26 grand children and 21 great grand children.

## McCullin Purchases Griffin Chapel Wells

A. W. McCullin, Cameron oil company distributor and oil producer, has purchased 11 wells in the Griffin Chapel area from the King & Heyne Development Co. Houston.

He told The Herald the purchase was completed as of December 1. M. O. Turner, San Antonio, was consulting geologist and owner of the development company.

McCullin said he was reworking the pumping equipment of the shallow producers. Average well depth is 1400 feet.

## Drillers Working At 6 Milam Sites; 4 Near Rockdale

Six wells are being drilled in Milam County.

Four of the wells are being drilled in the Rockdale vicinity, according to informed sources.

They are: G. K. Dunn drilling well to 1,400 feet in Rockdale. The Lewis Drilling Co. is drilling to 1,500 to 2,000 feet at Gay Hill, south of Rockdale.

The B. F. Oil Co. is drilling on site of the McVoy Farm northwest of Rockdale four miles. Drilling depth is from 800 - 900 feet. And N. G. Hawkins, Waco, is drilling a well with cable tool four miles from Rockdale.

Two other wells are being drilled by:

Mitchell Drilling Co. for Texas Well Service, Sequon, on the Brokenbush Farm.

McKinney & Wheelock drilling and sand fracturing to 1400 feet on the Sally Miller lease near Griffin Chapel, seven miles southeast of Cameron.

## Herald Reviews 1959 Headlines In Milam, Cameron

A review of the top Cameron and Milam County news stories for 1959 produces proof that big things have happened in the "Matchless Milam" area.

And one year's new developments often previews further major stories to come in the following year.

With an eye to possible future news breaks, The Herald presents this chronological outline of major county and city news for 1959:

**JANUARY** — The Cameron City Council calls for bids on paving E. 12th St., North Fannin, North Jackson and Sixth St. in a major move for improving city streets.

Meanwhile, the county learns of a 90-mile improvement plan for roads and highways, part of 145

miles of paving to be completed in Milam County in a long-range road program.

**FEBRUARY** — About 5,000 countians attended the first Cameron Chamber Mall and Junior Livestock Show at the Courthouse Square. Chamber officials rate the Mall successful for civic, livestock promotion.

**MARCH** — County commissioners and Cameron Chamber officials agree to 99-year lease arrangement for use of 60-acre county farm property as industrial site if prospective industry seeks Cameron location.

Bids are let for construction of 10-mile Marak - Yarrelton - Cameron farm - to - market road. Cost is \$319,000.

Alcoa reopens fifth pitline, calls back 60 employees to break layoff caused by 1958 drop in aluminum sales.

Directors of the Cameron Chamber of Commerce meet with representatives of all utilities and railroads serving this city for analysis of what Cameron can do to attract industry.

**APRIL** — City water system gets state approval as city constructs new combination jail - police headquarters. State water approval completes 10-year program of improving city water and sewer service facilities.

Alcoa announces tests for using lignite slag in construction of roadways and offers Cameron use of the material for experimental work

## Area Cotton Quota Climbs 1,500 Acres

### Growers Favor Continuation Of Quota Plan

Milam County has received a 3 percent boost in cotton acreage allotment, according to officials at Cameron Agriculture Stabilization and Conservation office.

ASC office officials said Tuesday that Milam County's cotton allotment would climb to 50,000 acres in 1960, an increase of about 1,500 acres over the allotment in 1959.

With a 1959 cotton crop of about 17,000 acres completed, Milam County cotton growers during December voted 241 to 37 in favor of continuing marketing quota control.

A heavier percentage of peanut growers voted 46 to 2 in favor of continuing marketing quotas, ASC officials said.

Continuation of the quota system meant that any production of cotton over the allotted amount would bring penalties of about 19 cents a pound on cotton over allotted acreage.

And peanuts would be subject to a 9-cent per pound penalty if produced over allotted amounts.

Officials said the 3 percent increase of acreage was due to figuring the five-year average of 1954 to 1958 and dropping consideration of 1953 production which caused a cutback in Milam County allotments.

About 1,800 acres are allotted for peanut production in Milam County.

Greater cotton acreage was planted during 1959 than in 1958, officials noted. The 1958 crop produced only 8,000 bales and the 1957 crop was about 11,000 bales.

### Lee Ray Franklins Return To Georgia

Pvt. and Mrs. Lee Roy Franklin have returned to Fort Gordon, Georgia, where Lee Roy is stationed. He is receiving training in communications and is attached to the Signal Corp. of the Army.

He is the son of Mr. and Mrs. Auttis Franklin of Bryan, formerly of Cameron.

Mrs. Franklin is the daughter of Mr. and Mrs. Hubert Edmondson of Cameron.

Both are Voe High graduates.

## Services Held For W.H. Lawrence, 62

Funeral services were held 2 p. m. December 24 at the Chapel of Green Funeral Home for Walter Hayden Lawrence, 62, Cameron businessman and city councilman, who died the day before in a Temple hospital.

The Rev. Ben Skyles, acting vicar of All Saint's Episcopal Church, Cameron, officiated at the service. Members of the San Andres Masonic Lodge conducted Masonic rites at interment in Little

River Cemetery. Lawrence, owner of Cameron Ice and Cold Storage Co., died at the VA Center, Temple, following a three-day illness with pneumonia. He had been ill with other complications for the past five years.

He had been released from the medical center a few weeks before, but returned when his condition became acute.

Survivors include: his wife, Mrs. Eunice Todd Lawrence, Cameron; two sons, W. H. Lawrence, Jr. of Austin, and John Todd Lawrence, Cameron; two daughters, Mrs. Mary Kathryn O'Leary, Olympia, Wash., and Mrs. Nancy Jane Adams, Huntsville, Ala.; one sister, Mrs. Fred Jackson, Maysfield; and four grandchildren.

A graduate of Texas A&M, College Station, Lawrence held the rank of lieutenant as a naval aviator in World War I. He was a member of All Saint's Episcopal Church, the San Andres Masonic Lodge and the Cameron Knights of Pythias.

He had lived in Cameron all his life. He was born here May 19, 1897.

Pallbearers were members of San Andres Masonic Lodge. Honorary pallbearers were employees of Cameron Ice Co. and all members of the Cameron City Council.

## No Candidates Yet Filing, Primary Dates Set

A filing deadline of February 1 and a Democratic primary set for Saturday, May 7, have been announced by Max McClaren, secretary of the Milam County Democratic committee.

McClaren told The Herald that no candidates had filed as of Tuesday for any of five county posts, the Milam district judge's office and eight county precinct constables.

"The Democratic primary has been previously held in July of each election year," McClaren said, "but the primary date was moved up to the first Saturday in May during the last session of the Texas Legislature."

Candidate filing time in the last election year in 1958 was early in May.

Posts up for election are: county attorney, county sheriff, county tax assessor - collector and county commissioners of Precincts 1 and 3. The only district post up for consideration is the district judge's post held by Judge O. D. Graham.

And eight constables of the eight county justice precincts will be elected.

Incumbents in the public offices up for election are: County Attorney Robert C. Nelson, County Assessor - Collector Walter White, County Sheriff Carl Black and county commissioners C. S. Raney, Precinct 1, and Byron Neal, Precinct 3.

## Officials Report 175 Citians, 1344

### Countians Register

Officials reported in Cameron today that 175 voters have registered in City Hall and 1344 at the County Courthouse.

Deadline for payment of poll taxes is midnight, January 31.

Elections will be held on three city council positions in April, three school board posts in April and one district, three county and 10 precinct posts in May.

Officials at the county tax collectors office said that 1,344 have paid poll taxes at the Milam Courthouse. The report did not include the tally of poll tax payments in Rockdale or Thorndale.

County officials said that poll tax deadline is January 31, a Sunday. But offices would probably close Saturday, January 30.

On the state and national level, it is a big election year. Both presidential and gubernatorial candidates will be selected in 1960 elections among other major national and state balloting.

### Petrueys Host Guests Over Christmas Holiday

Guests Christmas in the Jim Petruely home were Mr. and Mrs. Windle Kelly, Odessa; Mr. and Mrs. Clyde Kelly, Little River; Mr. and Mrs. Ed Shuberg, Austin; Mr. and Mrs. Jerry Slovacek, Snooks and Mr. and Mrs. Miles Peeler and Mr. and Mrs. Nealon Peeler and sons, Edwin Lunn and Howard, Buckholts.

Political observers report that Nelson will seek election as district judge and that Judge Graham will seek re-election to the post. "In case of the necessity for a runoff for any office," McClaren said, "a second primary or runoff election would be scheduled June 2."

Two precinct races went into runoff primaries in 1958 when the two top candidates for justice of peace and two top candidates for county commissioner in the Cam-

## Alcoa Sees Gain In Metal Usages

PITTSBURGH, Pa. — Shipments of U. S. produced aluminum during 1960 will be the largest in history, continuing an upward trend which this year saw consumption of the light metal soar nearly 17 per cent above the previous record peak established in 1956, according to Frank L. Magee, president of Aluminum Company of America.

Noting in a year-end statement that 1959 domestic industry shipments rocketed to an estimated per cent above those for recession-stricken 1958, Magee expressed an opinion that the gain next year should be in the area of 10 to 15 per cent.

**Predicts 15 Percent Increase**

He pointed out, however, that actual consumption of aluminum is expected to rise more than 10 to 15 per cent, because many fabricators will draw from substantial inventories of aluminum already shipped to warehouses and manufacturing plants.

Much of the inventory accumulated was prompted by fears of an aluminum industry strike at mid-year. This metal failed to move normally when the nationwide steel walkout hit such large users of aluminum as the appliance, construction, and automobile industries.

While shipments of pig and ingot and mill products were at a new industry high, industry earnings did not show a corresponding improvement during 1959. This was because of the continued downward trend of prices as both foreign and domestic producers and fabricators competed in this period of excess capacity.

During 1959, imports of semi-fabricated aluminum products reached an all-time high, doubling the previous peak achieved in 1958. Magee foresees a corrective strengthening of world aluminum prices in 1960, as the general economy improves both here and abroad.

The year ahead will see the aluminum industry continuing efforts to develop new, large volume markets through research, development and promotional activity. Alcoa's own 1959 research and

development budget was a record \$18-million. Meanwhile, the company now is detailing plans for a modern and all-inclusive research and development center at Merwin, Pa., on which construction is scheduled to begin late next year, and which ultimately will cost in excess of \$30 million.

A keen awareness of the rapidly increasing demand for aluminum to broaden usage of aluminum can develop makes this reserve position of the industry an asset to stable growth.

**New Consumer Gains**  
Aluminum's advance into new consumer areas, and into markets long dominated by other materials has never been more evident than during 1959, and in the prospects for 1960.

Sales of aluminum building products rose a precipitous 40 per cent this year; uses in the transportation field jumped 35 percent; and packaging applications grew a spectacular 50 per cent over 1958.

Of the big new tonnage markets, the rise in applications and uses of aluminum in the field of residential building products showed the sharpest gain. But similar progress is evident elsewhere — in automotive uses, electrical equipment, commercial architecture, packaging, railroad rolling stock, rockets and missiles, highway applications, paints and pigments, and a host of other products.

## Dr. Williams Challenges Rogers Youth To Seek Learning, Victories

Dr. Rhea H. Williams, State athletic director of the University Interscholastic League, last week in a speech to the annual football banquet of Rogers High School, challenged athletes and others to make scholarship and good citizenship first as they strive for victories.

He reviewed some of the high lights of the 50 year - history of the League and described the work and scope of the League as it works in Texas.

Nearly 200 adults and students attended the banquet honoring the

football team of 1959.

### Banquet Highlights

One of the high lights of the banquet was the announcement of the 1959 Football Sweetheart, Miss Dottie Hoelscher, daughter of Mr. and Mrs. Robert Hoelscher. She is a sophomore. Senior candidate, Miss Martha Necas, was runner - up. Captains Everett Wright and Charles Bartek presented the Sweetheart bouquet on behalf of the team.

Another high light of the banquet was the announcement of the captains for the 1960 football team, a new practice here. The captains are Charlie Joe Waits, James Martinec and Perry Harbour all to be seniors in 1960 - 61.

"B" team coach, Howell D. Coleman, presented certificates of award to Cecil Touchstone, Johnny Vasek, Arvil Young, Johnny Chervenka, Barney Knight, James Downey, Charles Castillo, J. D. Jemeneck, Raymond Coat, Donald Mikeska, Maxie Morgan, Reginald Geistman, Richard Tyler, John Gunter, Lonnie Inman and Thomas Williams.

### A Team Awards

The top event of the evening was the presentation of certificates of award to the "A" team by head coach James Lowrance. The awards will be presented later to: Kenneth Andel, Curtis Bedrich, Charles Bartek, Melvin Chupik, Woodrow Chervenka, Ronnie Tyler, Everett Wright, Daniel Leskar, all seniors; and Charlie Waits, Perry Harbour, Pete Castillo, H. L. Farrell, J. P. Morgan, John Barfield, Juniors and Ace Dyess, Brian Harbour, Jimmy Cowen, sophomores, and managers Jerry Wright and Julian Hawkins.

Coach Dal Coleman recognized the cheer leaders: senior, Rosie Tepera; Junior, Ruby Wilkerson; Sophomore Peggy Green; and Freshman, Linda Martinec. Also Martha Ann Necas as drum major, Lenele Marchak head twirler

## Milam Has Top Movie Treats

The Milam Theatre has announced a full schedule of first run movies for this season.

Among some of the top movies is a special mid - night show on New Year's Eve titled "Five Gates to Hell". It will star Neville Brand and Dolores Michaels "Five Pennies" with a cast including Danny Kaye and Louis Armstrong will be here Friday and Saturday January 1 and 2. Sunday, Monday and Tuesday "Golth" and the Barbarians" will be featured. In addition to this fine picture, "Football Highlights of 1959" will also be shown.

"The Mating Urge", to be shown here January 6, 7, and 8, will be an authentic story of some of the incredible ways in which boy chases girl in other lands. The film was shot by 17 camera men all over the globe. It took five years of work to produce this film. In some cases months of work were required to get a few moments of film.

"A Bucket of Blood" will be shown on Saturday, Jan. 9. Sunday and Monday, January 10, 11, and 12. "This Earth is Mine" is the feature and this film will be followed by "Scape Goat" on the 13 and 14 and "The Rookie" on

Jan. 15 and 16.

The Milam is one of the most modern theatres in this area. It features a new sound system that is rated better than the finest in high fi. Peck also stated that he has "the finest in refreshments and popcorn to add to your movie enjoyment."

An 11-year veteran with the two Cameron Theatres, owned by Cameron Theatres Inc., Peck said "The

personnel and management of both the 77-Drive In and Milam Theatres strive to give our customers the utmost in movie entertainment for the money. Be sure to see one of these movies coming up, they will prove that movies are better than ever, and you will prove to yourself that Cameron's Milam is keeping up with the latest in theatre equipment for your enjoyment."

# Rogers Wins Three Games In Holidays

The Rogers Eagles handed the Caldwell Hornets their first loss of the season, 39 - 24. The Flock started slow on offense, but on defense they held Caldwell to only 8 points in the first half. The half-time score was 24-6. Tyler led the scoring with 19 points.

**Rogers Downs Mart, 33-45**  
The Big Black from Rogers made five in a row December 18 with a victory over the Mart cagers. In the first half it was a close game with only five points separating the teams at the intermission. But in the second half the Eagles started pulling away and about midway in the fourth with twenty point lead, Coach Coleman

put in the "B" team. Mart hit a few quick buckets to close the gap but the Big Black had too much lead to be overtaken.

Everett Wright had 19 points for the Flock and Ronnie Tyler was close behind with 18.

**Rogers Defeats Milano 65-45**  
The Eagles defeated Milano for the first time in six years, 65-45 December 22. The Eagles started fast and led all the way, as Milano never was within striking distance. Again the defense of the Big Black told the story in the first half, for Milano only hit 13 points.

Everett Wright who only played a little more than two quarters led the scoring for the Flock with 20 points. Brian Harbour was next in the scoring with 17 points.

Rogers' next home game will be after the new year with Thorndale.

Baskin was one of the 22 breeders of purebred Aberdeen Angus in Texas elected to membership during the past month.

## State To Spend \$52,100 Fund On Milam Roads

The Texas Highway Department will spend \$52,100.00 for improvement on highways in Milam County during 1960, D. C. Greer, State Highway Engineer, has announced. This is in addition to the regular construction and maintenance program.

The State Highway Commission has approved this appropriation to improve already existing highways in this county, and there will be little or no additional right of way requirement, Greer said. The funds will be spent for shoulder widening, seal coat jobs, additional surfacing and for widening of structures and highways in these counties.

"We should have this program moving by spring", Greer said. "We believe the money will go a long way toward bringing these highways up to date."

C. B. Thames, District Engineer of the Bryan District, announced that the following projects in this county will be scheduled for improvement during 1960:

U. S. 79 - Additional surfacing on 1.3 miles - From Brozos River West.

U. S. 190 - Recondition and resurface 2.0 miles - Between Brazos River and 13.0 miles West (Section).

U. S. 190 - Recondition and resurface 2.0 miles - Between Bell County and Cameron (Section).

## Bond Sales Total \$30,403 In Month

Henry Siebman, chairman of the Milam County Savings Bond committee announced today that savings bonds sales for November totaled \$30,403. "Sales for the first eleven months of 1959 were \$417,153 or 108.4 percent of the yearly goal," Siebman said.

E and H Bond sales in Texas amounted to \$11,666,299 during November. This represents an increase of 1.3 percent over November 1958.

## View On Sports

ROBERT MANN

Hats off to Jerry Hopkins and his B team basketball crew. The crew's doing something that's seldom seen, beating teams that have ridden them into the ground earlier.

Boasting a 2-3 comeback record the victory over Caldwell on the 11th was the first sign recouping. Defeated 10 days earlier by a 1 point margin, they slid around the Caldwell bunch 31 - 18.

Then came Thorndale last week. Cameron upset them 33 - 28 after being defeated 29 - 19 December 7.

Not unlike the big brother A squad they also do their best in the last quarters. Only 27 points have been scored in the 5 games first quarters, 34 in the 2nd, 34 in the 3rd and a much improved 50 in the final frames.

Jimmy McClaren is the teams top scorer with 29 points. Don Brashear is 2nd with 21 points, Chester Simons has 21, Thomas Leo-

nard 17, and Ed Lierman 14 to round out the teams top scorers.

McClaren is once again the lead-goals, Brashear has 9, Leonard, Simons, and Lierman have 7.

McClaren is once again the leader when it comes to free throws. He has 9, Ronnie Williams 7 and Simons 6.

### VOS

Jim Speer has announced the names of 22 football lettermen from the 1959 season. The lettermen are decided on by the amount of action they see and contributions to the team.

Senior lettermen are Joe Humprik, James Fontaine, Griffin Barrett, Herman Koronek, Ronald Brashear, Jimmy Camp, Eddie White, Billy McQueen and trainer Triney Alvarez.

Junior lettermen are Ed Lierman, Carol Fikes, Bobby Griswold, Douglas Parker, Earle Morgan, Bret Shumate, and David Barker-meyer.

Sophomore lettermen are Ernest Bayer, Jimmy Woodum, Chris Gay and managers Thomas Leonard and Paul Hauk.

James Fontaine and Joe Humprik were named permanent "59" captains.

## Cameron CYO Holds Christmas Party

The Cameron CYO held a Christmas party December 23 and went to Hearn December 20 for a day of Recollection conducted by the Rev. Mark Dearing, Waco.

CYO members of Burlington, Rosebud, Cyclone and Westphalia attended the Cameron Parish Hall gathering. Presents were exchanged and dancing and games were enjoyed by the group.

Rev. Dearing discussed teen-age dating and ways to have a successful marriage in his talk at Hearn.

## Milam 4-H'er Wins Corn Growing Prize

Joe Paul Mueck, Milam County 4-H'er has won an award in the irrigated division of the Texas Hybrid corn program, according to officials.

He was the only winner in the eastern Texas area with 122.4 bushels of corn per acre.

Top producer was Hugh Brower, Bowie County farmer, who harvested 144.8 bushels per acre of Texas 30 to lead all Texas entries.

All participants in the program who produced 100 or more bushels per acre would receive certificates naming them members of 100 Bushel Corn Club of Texas.

Boy Scouts Entertain Parents  
And Friends With Party

The Boy Scouts entertained their parents and friends December 22 at the school lunchroom. The Christmas Tree and decorations created a festive atmosphere. Mrs. Edrie Browder, Jimmie Cass and V. V. Turner supervised several games that were very amusing. Mr. James Payne read the Christmas Story from the second chapter of Luke verses 1 through 20. Mr. and Mrs. James Payne, Mrs. Jim Jones, Mrs. Cecil Butler, Mrs. Frank Summerlin, Mrs. Bill Gause, Mr. Z. T. Johnson, Mr. Vernon Shaw and Mr. and Mrs. Bob Browder were the adults present. We have about fifteen Scouts according to Mr. L. E. Rose, Jr. the Scoutmaster. Sandwiches, brownies and punch were served.

About twenty-five students from the sixth seventh and eighth grades went carolling last week modern style, in the school bus driven by Arnold Kornegay instead of in a sleigh and called on our older folks and shutins. Mrs. Goode Mrs. Della Phares, Mrs. Frank Roper, Mrs. W. R. Hairrell, Mrs. Leah Webb at the W. A. Kornegay Sr. home, Mrs. Alex Shafer Mrs. Ola Hafley, Mrs. Howard Bains, Mrs. Lessie Murray, Mr. and Mrs. Robert Self, Mrs. Dudley Varner, Mrs. Pearl Cass and Mrs. Joe Butler were among those called on. At each home the students shared in the program. While one held a lighted candle representing Jesus, the light of the World, another read scripture from the Bible and another lead the prayer. All joined in singing "Silent Night" and wishing the friends a Merry Christmas.

The home of Mr. and Mrs. George Buffington was filled with beautiful floral arrangements as they welcomed friends and relatives who called December 20 to celebrate with them their fiftieth wedding anniversary. The dining table held the cake which was elaborately decorated, cake squares, coffee and pie which was served throughout the afternoon. Out of towners present for the affair were the Woodrow Buffingtons from Dallas, The Raymond Buffingtons from Seattle, Wash., the Hubert Fausts from Caldwell, Mr. and Mrs. H.H. Pruett, Judge and Mrs. O. D. Graham, Mr. and Mrs. I. N. West, Mrs. Mamie Lunsford, Mr. and Mrs. Grady Allen and Mrs. Maud Mullinix from Cameron; Mr. and Mrs. A. F. Lunsford, Mrs. E. A. Varner and Donna from Caldwell; Mr. and Mrs. R. I. Riggs, Mrs. Mamie Guynes, Mrs. Hattie Cross, Mrs. D. W. Key and Miss Maybelle Buffington of Hearne.

The Rev. Jesse Jones was over Dec. 20 visiting with friends and relatives. Mrs. Jones did not come with him as she was in Houston to welcome a new grandson. Mr. and Mrs. Melvin Jones have their fifth child. The Bernard Joneses have two, making a total of seven grandchildren for Jesse and May. J. M. Shaw, D. D. Shaw, Billy Shaw and Roy Fuller were at home for the weekend from Houston where they are working. Mrs. J. M. Shaw and Mrs. Billy Shaw planned to return to Houston with them for a couple of days.

Mrs. Nancy Smith was here from Seattle Wash. She spends part of her time here and part in Hearne with the Denmans and Deasons. Larry and Garry Wilson were up from San Antonio last weekend and had breakfast Sunday morning with Mrs. T. C. Wilson while Mr. T. C. attended the Men's Breakfast at the Methodist Church.

There were twenty-one men present at the Breakfast Club despite the freezing weather. The meeting came to order in the Dudley Varner Annex, and Mr. Walter Bollinger read from the Bible, and Mr. Bob Fulmer lead the group in prayer. The ham and eggs, coffee, toast, jams and jellies were served and enjoyed.

## Kopetsky Joins

## Milam Guard Unit

Company C, 3rd Medium Tank Battalion added another member to its rolls this week, the Milam County National Guard unit reported today.

The new Guardsman was listed as Billy W. Kopetsky. He was sworn in in his Army grade as Specialist - 4 during the Tuesday Specialist - 4 during a recent drill.

Kopetsky recently completed a two year tour of active duty with the army, and for a number of months was assigned to a Corps of Engineers unit in Germany. He was stationed near Frankfurt.

He is a resident of Cameron and employed by Alcoa in Rockdale.

## Leo Glaser Graduates

## From Training School

SAN DIEGO, Calif. (FHTNC) — Leo E. Glaser, Jr., son of Mr. and Mrs. Leo E. Glaser of Route 1, Cameron, Texas, graduated from recruit training December 11 at the Naval Training Center, San Diego, Calif.

The graduating exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

## NAME TAGS PROVIDED

AUSTIN — The next time you meet a game warden or biologist in the field you'll be able to remember his name while talking with him. Field personnel of the Game and Fish Commission now have name plates which will be worn over the left shirt pocket. They are being issued to men coming in contact with the public to assure easier identification of the men.

"... Their Want Ad said this car would go 80-miles-an-hour — according to the road map we've only gone two inches!"

## Property Taxes

## Influence Value

## Of Land In Texas

COLLEGE STATION — Property taxes are a fixed cost for the farm or ranch owner. In modern commercialized agriculture this tax bite may be a significant item affecting the final figure drawn down as net income, or loss. In 1958 property taxes amounted to an average of 38 cents per acre for the State, a total of 53.8 million dollars. In 1945 the average tax was 21.6 cents per acre.

About one-half this tax bill was accounted for by school district levies, reports Robert G. Cherry, extension agricultural economist. The remainder went for drainage and navigation districts. Levies by the State government are now a minor part of the total. When viewed as a percentage of gross receipts, the real property taxes accounted for about 2.2 percent of the total gross income. As a percentage of new farm-ranch income, however, the figure is much higher — amounting to 6.7 percent.

Traditionally, economists have always considered that land taxes are "capitalized" in land value, meaning they reduced the value of land in proportion to their effect on earning capacity. In modern times, however, citizens place high values on schools, roads and other services which the taxes support. Consequently, adds Cherry, taxes may indirectly work in the opposite direction by influencing land prices upward instead of downward. In 1958, the increase in real estate values slightly exceeded the increase in taxes on a national basis.

## Poultry Improvement

## Is Goal Of NPIP

COLLEGE STATION Have you ever marveled at the great improvement in quality of present day chicks and hatching eggs? The Plan has done much in helping to achieve this success, according to Joe N. Wakefield, Texas A & M Poultry Science Department.

In the 1930's two very obvious pitfalls confronted poultry industry expansion. They were contagious diseases and lack of standards for identifying quality of chicks and hatching eggs. The NPIP is voluntary and operation is based on using uniform terms to identify the quality of products of hatcheries, flocks and dealers. Wakefield noted that on June 1 of this year, 2,717 hatcheries participated in the NPIP with a total capacity of over 400 million eggs. This represents over 75 percent of the total egg capacity in the U. S. Duties of NPIP inspectors include the following: frequent inspections of hatcheries are made to check sanitation and management practices; incubators, hatcheries and brooder rooms are inspected for sanitation and cleanliness, and egg are inspected for size, color, shell texture and cleanliness.

Hatchery records are inspected for compliance with NPIP regulations. Eggs must be properly labeled in incubators as to name of flockowner and date set, and advertising is checked to make sure it complies with the standards.

Hatchery flocks also come under close scrutiny. Wakefield added, with checks made for good management and sanitation practices. All birds are tested for pullorum and fowl typhoid disease and all obvious culls are removed.

## I Give You Texas

By Boyce House

When the original Casa Manana was held in Fort Worth, a State department, almost en masse, attended one week - end. When they cheered up Sunday morning one of the group was missing. Further checked up Sunday morning one bided freely, had given two officers a tussle and was now in the city jail.

So several of his colleagues, including two ladies, went to the police station to see him and to arrange for his release. When they were taken down the corridor, they peered through the bars into his cell. He was on the bunk, a sleep. One of his friends called his name and the man aroused, blinked his eyes, saw the group on the other side of the bars and yelled, "Have they got you in jail? I'll get you out, right away!"

A reporter's life in the old days - and I suppose that is still the case - was seldom dull. A few of the events which I reported during my service on the Fort Worth Star-Telegram were the Southern Baptist Convention; the recovery of the bodies of three men, victims of murder, from the Trinity; directing the activities of a six-man staff during two runs of the Fat Stock Show and the murder of two State highway patrolmen by Clyde and Bonnie.

Another little assignment which was handed me was to get the names of all who attended a dinner signaling the opening of the Texas and Pacific Railway Station. How did I try to do it? Posted myself at the door and stopped the guest long enough to jot down

the names. There were over 300. I got 'em, too.

Perhaps this is just a legend.

The story goes that, many years ago, three men held up a train. Besides seizing the valuables in the express car, the bandits lined up the crew and passengers, some 50 or more, and robbed them, too.

The three were caught and the prosecuting attorney persuaded the grand jury to indict the robbers - not once each but 50 times, making the robbery of each person a separate offense.

Then he tried them on one charge, got a conviction, permitted them to plead guilty in the other 49 cases with the terms to run concurrently - and though conducting only three trials, he collected a fee for 150 cases.

It's just a legend - maybe.

## November Fines

AUSTIN — Game law violations from automobiles took top billing during the month of November, according to arrests reported by the director of law enforcement of the Game and Fish Commission.

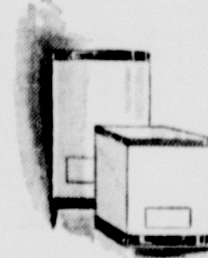

Twenty-four persons were fined for hunting from automobiles, and another 19 for headlighting game animals, making a total of 43. hunting without a license brought fines to 40 hunters; killing quail in closed season netted 13 fines, and exceeding the bag limit on doves brought 15 fines. Another 15 persons paid fines for hunting with unplugged guns. Shotguns used in hunting all migratory birds and game birds in Texas must be plugged to three shots. Many of the repeating shotguns in automobiles carry five shells in the magazine, and must be plugged back to hold only two shells in the magazine and one in the chamber.

## Past Is Prologue...

Cameron and Milam County could look back on 1959 with mixed emotions in a year that saw many adjustments in the area economy and developments in city construction.

Probably most outstanding in the city's story was a vital development of Chamber of Commerce activity centering around a business building front program, which has caused considerable planning among Cameron business for new fronts in the coming year.

Then, too, the Chamber assisted the Cameron Saddle Club in boosting a highly successful Western Week in July and boosted several community promotions that attracted wide spread interest: opening of the Cameron Armory with Sen. Lyndon Johnson visiting, two downtown malls and installation of Christmas lights.

On the city level, the city water system drew state approval and the old water tower on the courthouse square was removed.

Construction also began on North Jackson and plans included completion of E. Sixth St. paving in 1960. Also completed was a city jail and widening of US 77 through the city.

The county saw road construction zoom with the completion of the Yarrelton-Marak road and numerous projects throughout Milam County. Several million dollars were or are being spent in new roads or resurfacing in Milam County.

These are but a few activities that showed construction of new facilities, both private and public, were in the offing.

The Milam farm picture continued to change as cotton reached about 17,000 bales during the year, more than twice the previous, 8,000-bale total of 1958. A continued movement to mechanical picking altered the farm labor picture as fewer transient workers came through the county this fall.

And last week Alcoa wrote a new three-year contract with the United Steel workers.

Cattle prices held strong through much of the year as grazing was good with steady rains.

All these things indicated that 1960 was to be another year of transition in the economic and civic life of Cameron and Milam County.

The First Baptist Church will build a new sanctuary this year, following in line with other new church construction during the past two years. Newton Memorial Hospital was considering plans to construct a hospital with a \$160,000 grant received in 1959.

The material changes seem to follow a pattern of development that will carry into 1960. The interest of Cameron and Milam County cannot help but continue to focus on further roads, streets and construction development in the first year of the "Silver Sixties."

The "past is prologue."

Sage Unbends, Forecasts  
 1960 News Without Guarantee

Dear editor:

This is the time of year when all the experts bring out their predictions for the next twelve months, and while I'm no expert -- oh, I'll admit I've been wrong about as many times, as they have, still I don't qualify as one -- I thought I'd fall in line and bring out a few of my own.

The trouble with most predictions is they aren't strong enough. The hedge. They say times are going to be good in 1960, unless this or that occurs. There's going to be an upturn, unless there's a downturn.

Mine are more positive. For example, I predict the world's coming to an end in 1960. Naturally, I don't really think so, I'm going ahead and making a crop, but you've got to admit, if I'm right, I'll go down in history.

As for the economic situation in the next twelve months, I predict most people will make it, but at the end of the year when they look back, they won't see how they did.

Internationally, the scene looks clouded. This is the same prediction I've made every year since I found out there were other countries besides the United States, and it's always been right. I've never been caught napping on that one. If I wanted to pick out the easiest job on earth, I'd pick the job of predicting every January 1 that the international scene is fraught with danger and uncertainty.

On the national scene, I predict the United States, despite the feeling some people have it won't hold together, will hold together for another twelve months. It's a funny thing about the United States. It's no as people give it credit for being, nor half as dumb as some people suspect.

Around here, my predictions are a little more kazy. The closer a man gets to home, the less specific he is, if he's smart. I wouldn't mind predicting what's going to

happen around here in the next twelve months, and many do it some day, just as soon as I find out what happened in the last twelve.

Happy new year. That's the kind I intend to have.

Yours faithfully,  
 J. A.

# Writer Reviews 1959 Politics

**By Vern Sanford**  
 AUSTIN — As the year draws to a close, it's hard to look backward for looking forward to what so many are sure will be the "Silver-lined sixties."

But 1959 was an eventful year. Some of the biggest Texas headlines centered on these happenings:

**SPEAKER'S RACE** — Suspense became almost unbearable in a hard-fought, down-to-the-wire speaker's race. Waggoner Carr won a second term, 79-71, over challenger Joe Burckett. Now the race is on again with Reps. Wade Spilman of McAllen and James Turman of Goben contending for the job in '61.

**TAX BILL** — It took a marathon meeting of the Legislature from January until August - before agreement could be reached on a \$185,000,000 new bill. Lawmakers faced, not only the need to cover a \$2,418,000,000 budget for the 1959-61 biennium, but a dismaying \$65,000,000 deficit.

Biggest bones of contention were two of Gov. Price Daniel's key proposals: the abandoned property tax, which did not pass; the severance beneficiary tax on natural gas, which did. Three-fourths of the new revenue comes number of old sales levies, on autos, cigarettes and liquor, were upped. New ones, including furs, jewelry, air conditioners, phonographs, hotel and motel rentals, were added.

**SIGNALS CHANGED**  
 Though it was primarily a "tax session", Legislature passed a number of other laws with wide public effect. Political primaries and conventions will be held in May and June, instead of July and August. Boat owners must register their craft, observe certain safety regulations. City fireman and policemen work shorter hours, and city administrative officials grumblingly juggled their budgets to meet the extra cost. Truckers finally passed a bill they'd been pushing for some years to raise the truck load limit from 58,400 to 72,000 pounds.

**TEACHERS PAY** — Question of whether a fourth special session should be called to raise money to increase teachers' salaries was posed but not answered in '59. Governor Daniel said he would leave it to the people to decide. Thus far the decision is not known, except that the governor said if he calls a session, it will not begin until after the Feb. 1 filing deadline for public office.

**TIDE LANDS** — Texas officials went before the U. S. Supreme Court again to fight for state ownership of the tidelands. Texas claims it owns the submerged lands from 10 1/2 miles out. U. S. Attorney General said state ownership extends only three miles. High

court's decision is awaited.  
**NEW BUILDINGS** — A big part of Texas government picked up and moved this past fall from rented quarters scattered over Austin into three new state buildings. Texas Employment Commission Building, State Office Building and State Courts Building were completed within a few months of each other. Earlier the Health Department expanded into a new building. A State Archives Building is in construction, and an Insurance Building is on the drawing board.

**AUTO INSURANCE RATES** — State Board of Insurance announced new auto insurance rates designed to put the burden of expense on the drivers who have the accidents. Plan has stirred up a beehive of controversy. But it is to go into effect, as scheduled, Jan. 1.

**LBJ FOR PRESIDENT** — State politics was almost swept aside after Speaker Sam Rayburn announced a Lyndon Johnson for President campaign. Texas party leaders took up the banner, and Johnson clubs spread across the state, covering, at last count, 191 counties. Senator Johnson says he is not a candidate for president. But he has criss-crossed the campaign.

**ELECTION CAMPAIGN** — Politicking was rampant as the year ended, but very few candidates have paid their filing fees for state-wide offices. Some put off filing until January to avoid competing with Christmas for public attention. Others are waiting for Governor Daniel to say whether he will seek a third term before they decide whether to stay put or try to move up.

**STILL TRICKLING** — Texas oil wells will flow only 10 days in January. This production pattern, the same as during December, was ordered by the Railroad Commission after major purchasers' requests ranged from 9 to 11 days.

**THREE MILLION JOBS** — Texas will enter the 'sixties with more than 3,000,000 employed in non-farm jobs. Employment gained 7,000 over November to push the total at mid-December to 2,999,800, the Texas Employment Commission reported.

Attainment of the 3,000,000 figure was expected by late December, the report said.

NOTICE OF THIRD ANNUAL ELECTION OF DIRECTORS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE.

STATE OF TEXAS  
COUNTY OF MILAM  
TO THE QUALIFIED RESIDENT PROPERTY TAXPAYING VOTERS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE:

NOTICE IS HEREBY GIVEN that an election will be held on the 12th day of January, 1960, being the second Tuesday in January at Buckholts American Legion Hut, in the City of Buckholts, Texas, and within the Milam County Water Control and Improvement District Number One, accordance with the provisions and upon the questions contained in the resolution and order passed by the Board of Directors of said District on the 4th day of November, 1959, and which resolution is made a part of this Notice, in words and figures as follows, to-wit:

**RESOLUTION AND ORDER FOR THIRD ANNUAL ELECTION OF DIRECTORS FOR MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE.**  
THE STATE OF TEXAS  
COUNTY OF MILAM

ON THIS, the 4th day of November, 1959, being the first Monday in November, the Board of Directors of Milam County Water Control and Improvement District Number One convened in regular session at Buckholts, Texas, with the following members present, to-wit:

Frank Tomascik, President  
Adolph Gresak, Vice - President  
Edwin Gandy,  
Orba Arnold  
Fred Gresak, Secretary

when, among other proceedings had, the following resolution and order was adopted:

Director Orba Arnold introduced the following resolution and order calling the third annual election of Directors for said District, and moved its adoption. The motion was seconded by Secretary Fred Gresak. The motion carried with it the adoption of the resolution and order and was unanimously carried by the following vote:

AYES: Messrs. Fred Gresak, Adolph Gresak, Edwin Gandy, Orba Arnold and Frank Tomascik.  
NOES: None.

**RESOLUTION AND ORDER BY THE BOARD OF DIRECTORS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE CALLING THE THIRD ANNUAL ELECTION OF DIRECTORS FOR SAID DISTRICT.**

WHEREAS, it is provided by law, particularly Article 7880-37 R.C.S. 1925, as amended, that there shall be held in Water Control and Improvement Districts a general election on the second Tuesday in January of each year, at which time directors for such districts shall be elected as therein provided; and

WHEREAS, the 12th day of January 1960 will be the second Tuesday in January of such year and by the provisions of the aforesaid law, the Directors are required to call an election for the purpose of electing two directors for such District;

BE IT RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE.

SECTION 1: That an election be held on the 12th day of January, 1960, within and for Milam County Water Control and Improvement District Number One of Milam County, Texas for submitting to the qualified resident property taxpaying voters of said District the following proposition:

(a) The question of the election of two Directors for said Milam County Water Control and Improvement District Number One.

SECTION 2: That the manner for holding said election shall be governed by the general laws of the State of Texas for the holding of general elections except as otherwise provided by the applicable provisions of Chapter 3A Title 128, R.C.S. 1925 as amended and only qualified resident property taxpaying voters of said District shall be qualified to vote at said election.

SECTION 3: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.S. Elec-

tion Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

**"For Directors"**

Frank Tomascik  
Fred Gresak  
Adolph Gresak

(As to the above, there are 3 directors to be elected. You may vote for those named or cross them out and write the names of the persons for whom you wish to vote upon each of the above three blank lines)

Section 4: That the entire District shall comprise one election precinct and the polling place of said election shall be at Buckholts American Legion Hut, in Buckholts, Texas, and within the boundaries of said Milam County Water Control and Improvement District Number One, and the following persons are hereby appointed officers of said election: Paul Sakewitz, Presiding Judge J. V. Petruy, Assistant Judge Mrs. Johnnie Balusek, Clerk Mrs. Edwin Gandy, Clerk. Said election officers shall make due returns of said election in triplicate to the Board of Directors within five days, one to be retained by the Presiding Judge, one to be delivered to the President of the District and one to be delivered to the Secretary of the District at his office and be preserved in said office as provided by law.

SECTION 5: The Secretary of the Board of Directors shall obtain from the Tax Collector of Milam County a certified list of the qualified resident property taxpaying voters of said District and furnish same to the election officials prior to the election here-in ordered. Any person appearing to vote and who is not known to the election officers to be a qualified voter and property taxpaying resident of such District, as herein stipulated, or if his vote is challenged, he shall be required to subscribe and swear to the following oath:

"I do solemnly swear (or affirm) that I am a qualified voter and a property taxpayer in the District. I did not acquire property prior to this election for the purpose of voting, but am a bona fide property taxpayer in the District."

## Cards of Thanks

We want to express our sincere appreciation to our many friends and relatives for their kind expression of sympathy extended us at the loss of our darling baby, Rebecca Jane.

We are especially grateful to Rev. Russell and to Dr. Shapiro and the nurses at the Newton Memorial Hospital for their words of comfort and tender care. To those who sent flowers, brought food to our home or sent messages of condolence, we are deeply grateful.

Our prayer is that God will bless each of you.

# Official Clarifies Insurance Plan

AUSTIN Texas motorists will not be assessed points under the Safe Driving Insurance Plan for certain, specific types of collisions, according to a clarifying statement issued by Joe P. Gibbs, member of the State Board of Insurance.

"In order to be as fair as possible, the plan excludes accidents involving your vehicle while you are legally parked. Also excluded are accidents for which you have been paid by the person held responsible for the accident. No points will be assessed in accidents in which only the other party has been convicted of a moving traffic violation, or in rear-end collisions in which you have been struck by another vehicle and are not convicted of a moving traffic violation.

If you are the victim of a hit-and-run accident and report the accident to the proper authorities within 24 hours you will not be charged any points. Regardless of fault, motorists will not be assessed a point when the damage is limited solely to Medical Payments," Gibbs stated.

Texas families whose drivers have not been convicted of a moving traffic violation nor involved in a chargeable accident during the past three years will receive a 20 percent reduction in the bulk of their private passenger automobile insurance.

A study of 40,365 licensed Texas operators' records indicates that 73 percent of the drivers have clear records. Considering the multiple use of an automobile by several members of the family, 57 percent of the insured automobiles will receive a 20 percent discount under the new automobile insurance plan. Roughly, points are assigned as follows:

Four points for driving while

intoxicated, hit - and - run, and negligent homicide with a motor vehicle.

Two points for accidents involving \$25 damage or more or bodily injury unless specifically excluded as above.

One point for moving traffic violations.

The Plan applies to the driving record of all resident operators of a household.

"The Texas Safe Driving Insurance Plan was adopted after careful study and upon the repeated urging of the careful motorists of the state. These careful drivers believed that they were entitled to reduction in their insurance rates because of their good driving records. Although I was not a member of the State Board when this Plan was developed, I have since had occasion to study it a great deal and I feel that it is a great step forward. It saves safe drivers money and it will encourage other motorists to improve their driving habits so that they too can become eligible for the 20 percent reduction," Gibbs said.

## County Agent Reports...

# Grubs, Lice Affect Profit

By J. D. Moore, County Agent

Cattle grubs and lice are numerous on livestock during the winter months to the extent that gains and profits are lowered even though high priced feed is used.

For cattle grub control, use 7 1/2 lbs of derris or cube containing 5 per cent rotenone per 100 gallons of water as a spray. If a dust is preferred, use 1 lb of 5 percent rotenone to 2 lbs of non - alkali

line dust or a prepared dust containing 1.67 per cent rotenone.

For lice on cattle and swine, spray with a .03 per cent Lindane, or a .5 per cent solution of Toxaphene, Methoxychlor or Malathion. The Lindane spray will also control mange on hogs.

CAUTION: Dairy cows and young pigs should not be sprayed with the above sprays. Commercially prepared dusts are available for

these animals.

Mr. Swine Producer, would you be interested in information regarding the carcass value of the hogs produced on your farm. T. D. Tanksley, extension animal husbandman, says it will be available to purebred breeders and commercial producers who enter animals in the 1960 statewide swine carcass tests to be concluded during the ninth annual Swine Short Course at Texas A & M, April 4 and 5.

Major changes have been made in the 1960 tests. Tanksley points out that producers desiring to enter pigs in the tests must deliver them to A & M between January 2 and 15, 1960 at weights between 40 and 100 pounds. All 1960 entries will be self - fed and finished on concrete feeding floors. The uniform management, emphasizes the specialist, will help identify the really "meaty" seedstock because the major differences in carcass desirability will be a result of the hogs' breeding.

Barrows and gilts may be entered as can purebreds or crosses. Each person is limited to two entries. They may be littermates if the carcass records are to be used in the breed meattype certification program. Entries must have been farrowed between September 15 and November 15, 1959 and must be accompanied by a health certificate when delivery is made to A & M.

All pigs will be purchased by the Animal Husbandry Department but each will be earmarked and entered in the tests in the breeder's name. Information on gains and carcass characteristics will be provided on each animal.

Tanksley says the changes from former tests will permit hog value to be figured on a live weight basis, including dressing percentage.

The animal husbandman says that county agents now have complete details on the tests and will be glad to answer any questions producers might have. Tanksley reminds that all swine producers, including 4-H and FFA members, are eligible to enter animals. "It's all a part of our continuing search," he said, "for a better meat-type hog."

Local entries in this contest have been made by Henry W. Abel of Sharp and Henry Richter, Cameron.
